**TIME CARD CREDIT:** The following is a guideline for the instructor to issue credits.

1. Each Theory credit must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated. The portion of the time card concerning operations are to be applied efforts of the student; as they manually perform a practical subject. Some practical operations may take longer to perform according to the student. Note the following time frame the Board gives for each operation: Shampoo/set = 1/2 to 1 hours, Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 1 to 1 1/2 hours, Facial = 1/2 to 1 hours, Manicure = 1/2 hour & Hair cut = 1/2 to 1 hour Using the above, the Board would understandably not consider a student capable of performing more

**VOTER REGISTRATION:** We encourage all eligible students to vote and be registered. For information of how and where to register please contact: [www.sos.ca.gov/elections](http://www.sos.ca.gov/elections) or you can call (800) 345-8683

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP): STANDARDS:

This policy will be provided to applicants prior to enrollment.

This institution expects all its students to maintain Satisfactory Academic Progress as established by this institution. This policy applies to all students enrolled in any course at the institution, regardless of attendance status (part-time or full-time).

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matters prior to graduation unless credit has been allowed for previous training as experiential credit is not allowed. Successful graduates will be awarded an appropriate certificate upon completion of their training program.

The student must:
1. Maintain a cumulative academic average of “C” (70%) or better as a qualitative factor to determine academic performance using grades, and/or work projects completed, and/or comparable factors measurable against a norm.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract as a quantitative factor. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week (2/3 x 30 = 20).
3. A maximum time frame in which a student must complete the educational course or program that is no longer than 150% of the length of the educational course or program based on 100% attendance schedule measured in academic years, non-standard terms, or clock hours completed. Students who exceed 150% of course length are considered to NOT be making satisfactory academic progress and will be terminated.
4. Students on an approved Leave of Absence will have their contract period and maximum time frame extended by the same number of days as the leave of absence.
5. Evaluation periods are done at least by midpoint of the academic year or program for all students, whichever comes earlier. (Note: All evaluations must be completed within seven (7) business days following the established evaluation points).
6. Students who meet minimum requirements for attendance and academic performance are considered making satisfactory academic progress until their next scheduled evaluation.
7. Only students who maintain satisfactory academic progress are eligible to receive Title IV assistance. A student who does not achieve the minimum standards is no longer eligible for Title IV, HEA programs funds, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation. Students will be notified of any evaluation that impacts their financial aid eligibility.
8. A student’s successful course completion percentage is based on the number of successfully completed hours divided by the cumulative number of hours attempted by the student.
9. Students will have access to SAP evaluation results at the time of the evaluation and upon request.
10. The institution allow for an initial status of satisfactory academic progress warning for students who are not considered meeting minimum standards for Satisfactory Academic Progress.
11. Adult students, parents or guardians of dependent minor students, have the right to inspect, review, and challenge information contained in their education records. However, a staff member must be present.

EVALUATION PERIODS:

Evaluations will be performed for all students based on the US Department of Education Regulations and definition of an Academic Year and will be performed at the end of each PP (payment period). USDOE defines an academic year as being 900 clock hours and 26 calendar weeks, a payment period is defined as 450 clock hours and 13 calendar weeks per period. Based on the above definition the Cosmetology course will contain two (2) 450 clock hours payment periods and 26 weeks = 900 clock hours and 26 weeks and the remaining 700 hours of the course will be prorated and contain (2) 350 hour payment periods = 700 clock hours and 22 calendar weeks. Using the above definition(s) the following schedule will be followed for determining when the student will be evaluated:

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at the end of each evaluation period. Part-time enrollment status will be calculated based on the above formula.

Cosmetology: PP (1) 450 hours and 13 calendar weeks, PP(2) 900 hours and 26 calendar weeks, PP (3) 1250 hours and 37 calendar weeks and PP (4) 1600 hours and 48 calendar weeks. Based on Full-time enrollment.

Esthetician / Skin care & Instructor: These courses shall be prorated based on the above definition of an Academic year 600 clock hours and 18 weeks. PP (1) 300 hours and 9 calendar weeks and PP (2) 600 hours and 18 calendar weeks. Based on Full-time enrollment.

Manicurist: The first evaluation will be conducted at the midpoint of the course (200 clock hours) and the final evaluation will be conducted at 400 hours.

Note: In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 450, 300 or 200 clock hours, or at the time of actual completion of the remaining hours, whichever occurs sooner. All evaluation must be completed within seven (7) business days following the established evaluation points.

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at the end of each evaluation period. The evaluation form reflects the overall Attendance (measured in actual hours & weeks) and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

WARNING:

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. The student remains eligible to receive aid during the warning period.

PROBATION:

The institution may allow for the status of probation for Students who are not considered meeting minimum standards for Satisfactory Academic progress if:

a) The institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning or previous evaluation period; and
b) The student prevails upon appeal of a negative progress determination prior to being placed on probation; and
c) The institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; or
d) The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

The student must provide a written appeal and demonstrate that they will be able to reach satisfactory Academic Process by the end of the probationary period.

If the students who meet Satisfactory Academic Progress by the conclusion of the warning/probationary period will be removed from academic warning/probation and will retain eligibility for the Title IV aid. Students will be notified of any evaluation that impacts the student’s eligibility for financial aid.

If at the end of the probationary period, the student has still not met both the minimum attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive remaining Title IV funds, and may be terminated at the discretion of the institution.

Students who lose Title IV funds must become cash paying. In the event such students are allowed to continue with instruction, aid eligibility will be reinstated only after the student has reestablished Satisfactory Academic Progress in accordance with the attendance and grading standards.

APPEAL PROCEDURES:

Students must initiate the Appeal Process. Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit:

a) A written request to the institution's administrator. The letter should be received within (5) days of termination and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The administrator shall evaluate the appeal within a reasonable time frame (5-10) days and notify the student in writing of the administrator's decision. The committee shall provide written notice to the student of its decision within a reasonable time frame, (5-10 days). The decision of the committee shall be final. Students that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined as making satisfactory progress will be reentered in the course and will be reinstated. Students accepted for re-entering the program that previously were not making satisfactory progress; they will re-enter in the same satisfactory academic progress status that was in place at the time of withdrawal. They must attain their satisfactory progress status by the next scheduled evaluation, of re-entry.

b) The reasons for which a student may appeal such as the death of a relative, an injury or illness of the student, or other allowable special circumstances;

c) Documentation, the student must submit regarding why the student failed to make satisfactory academic progress and what has changed in the student’s situation that will allow the achievement of satisfactory academic progress at the next evaluation.

The appeal and result of the appeal documents will be kept in the student’s file.
**INTERRUPTIONS, COURSE IN-COMPLETES, WITHDRAWALS:**
Course incompletes, repetitions and non-credit remedial courses have no effect upon the student’s satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence or reasons, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

**RE-ESTABLISHMENT OF SATISFACTORY PROGRESS & TRANSFER HOURS:**
Students may re-establish satisfactory progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period. Transfer hours from another institution that are accepted towards the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution. Your current educational program will not impact your current SAP as they are counted as both attempted and completed hours.

**LEAVE OF ABSENCE (LOA):**
An authorized leave of absence (LOA) is a temporary interruption in a student’s program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA must meet certain conditions to be counted as a temporary interruption in a student’s education instead of being counted as a withdrawal requiring an institution to perform a refund calculation. We do allow a Leave of Absence for students that may experience a severe medical or legal problem(s) which may make it difficult for them to attend class. The institution may allow a student under such severe medical or legal circumstances to take a Leave of Absence (LOA) from the program for up to 180 days in a 12-month period. In order for an LOA to qualify as an approved LOA:
1. The LOA must be requested in writing and signed in advance unless unforeseen circumstances prevent the student from doing so. **It must include the reason for the student's request.** In unforeseen circumstances in which the student is not able to request a LOA prior, the institution will document the reason and collect the LOA request at a later date. The beginning date of the approved LOA would be the first date the student was unable to attend school.

The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the school official approving the LOA. There must be a reasonable expectation that the student return to school after the LOA.
2. Students on LOA's will not be assessed any additional charges of tuition. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her maximum time frame to complete the course extended by the same number of days as the leave of absence.

The student's contract period will also be extended by the same number of days as the LOA. **The changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.**

3. If a student does not return to the institution at the expiration of an approved LOA (or a student takes an unapproved LOA), the withdrawal date for the purpose of calculating a refund is always student's last day of attendance. The refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and will be paid within 45 days, depending on the financial source.

4. A student granted an LOA that meets the above requirement is not considered to have withdrawn, and no refund calculation is required at that time.

This policy has been revised and becomes effective November 26, 2018.

**TARDINESS:** You will be given up to seven (7) minutes to clock in and receive credit for the quarter (1/4) hour. This seven minute period applies to starting of the class day. A thirty (30) minute lunch break shall be taken when a student attends a 6 hour class day or more. If you are attending less than a 6 hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break.

A student, who is tardy Days (8:38 a.m.) & Evenings (5:08 p.m.), cannot clock in until the theory class is over and may not attend the class. Day students must clock in for class no later than 08:37 a.m. for theory class. If you are late, you will be asked to leave and return at or after 10:00 a.m.

Evening students must clock in no later than: 5:07 p.m.. If late, you will be permitted to return at 6:30 p.m.

Students must clock in with their instructors if they clock in late.

**EXCUSED OR UNEXCUSED ABSENCESS:** In case of illness or emergency on any day, the student must call in to the School Director to report his/her absence before 8:15 a.m. that morning. Evening students must report absence by 4:00 p.m. that afternoon. This is consider an excused absence; any other absences are unexcused.

**MAKEUP HOURS/WORK:** The only makeup work allowed is when permitted by the Instructor in Charge; others are not permitted.

Students may make-up missed class hours at the end of their scheduled class day with instructor approval. In addition, students may make-up hours by participating in school-sponsored events or other extra-curricular activities at which an instructor is present. Due to absences, all assignments, tests and homework may be made up.
Students who are absent on theory test day, whether excused or unexcused, or fail to take a theory test must make up the test within the same month the test was given. If the test is not made up within the same month, the test missed will be posted as a zero for calculating monthly grade point average.

**CONDUCT:** Students must comply with all instructions, directions, orders, etc., given by personnel relative to school activities. Insubordination will not be tolerated. Students are expected to conduct themselves in a manner appropriate to a professional work environment. They are at all times required to follow the rules of conduct given to them at orientation. If a student’s conduct is determined inappropriate by their instructor or other faculty member they will be warned about their conduct and improvement will be expected. If the inappropriate conduct continues the student will be terminated from the program.

The college will not tolerate the use of alcohol or drugs at any time.

**TERMINATION:** Any student absent more than fourteen (14) consecutive days (calendar days) without notifying the Director will be terminated. There are various violations that will result in termination of a student from the program. Students at Asian-American International Beauty College are always expected to follow the rules of conduct and be a positive influence on other students around them. If they are not able to do this they will be terminated from the program. If a student is terminated from the program they have the right to an appeal. This appeal must be in writing addressed to the School Director requesting that their case be re-evaluated and discuss the changes that have been made to solve the problem that caused their termination. At the discretion of the Director the student may be readmitted. If not, they will be unable to continue training at Asian-American International Beauty College.

**PROGRESS POLICY:** Considering the varied capabilities of Individual student, some may progress from one phase of training to another at a more rapid pace. Successful graduates will be awarded an appropriate certificate upon completion of their training program.

**ATTENDANCE STATUS:**

Full time: Any student scheduled to attend 24 hours or more per week are considered to be full-time students. Part-time enrollment is defined as at least 16 but less than 24 hours per week. METHOD OF PAYMENT: Most of our students apply for financial aid. During our interview of prospective students, we compute a needs analysis based on the amount of income or resources compared to the cost of education, room and board, and traveling expenses. If the student is qualified, we help the individual prepare the appropriate Financial Aid application. For those students who wish to pay their own way through school, the financial officer will develop a personalized payment program for each individual. All tuition and fees are payable in advance unless other arrangements have been made prior to start of classes. For those students who are not receiving financial aid, payment schedules (weekly, monthly, and quarterly) are available. Payments can be paid by: cash, money order, check or Title IV. We do not take credit card or offer any Federal Loan at this moment.

If a student experiences a severe financial hardship, they may consult the financial aid office to inquire as to any assistance that may be available to them and tuition waiver may be granted to the student. A waiver allows for a portion of a student's tuition not to be paid. The student is responsible for payment of the remaining tuition not covered by the waiver. Any changes will not affect attending students.

BANKRUPTCY: Our college is not involved in any type of Bankruptcy action such as having a pending petition before a Bankruptcy court, or operating as a debtor in possession nor have we filed a petition within the preceding five years or have had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.)

School Rules and Regulations

Upon satisfactory completion of the required course hours, and the student has maintained a satisfactory grade on all subjects covered, a Certificate will be given to the student. Also a proof of Training Record will be issued. This record will then become part of the application for examination for your State of California License.

Neither proof of Training Record nor Certificate of Completion will be issued unless all monies have been paid in full.

Attendance, Tardy and Make-up Policies

- **Attendance:** Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement.

- An absence may be excused by calling-in the same day prior to the beginning of class.

- **Tardy:** Frequent tardiness and/or absences are cause for disciplinary action such as probation or dismissal.

- **Make-up:** All lesson assignments which were missed during any period of absence must be made up. Make-up work will not be permitted during class hours. A record of make-up work is maintained for each student who is required to perform this type of work.

- Students with fourteen (14) consecutive days of absences, in any program of study, will be withdrawn by the College.
The following refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure. An applicant not accepted for training by the school shall be entitled to a refund of all moneys paid.

**STUDENT’S RIGHT TO CANCEL:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh calendar day after enrollment (seven calendar days from the date when enrollment agreement was signed), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office. A withdrawal may be initiated by the student’s written notice or by the institution due to student’s academics or conduct, including, but not necessarily limited to, a student’s lack of attendance.

**Refund Policy:** After the cancellation period, the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of $75.00 is a non-refundable item. Kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student’s notification or school’s determination.

**Determination of withdrawal from school:** The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

1. The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw. 2. The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog. 3. The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing. 4. The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

**Return of Title IV:** Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to 60 percent of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

**Student Tuition Recovery Fund (STRF):** (a) “The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:
1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.’’

School Closure: If the school closes subsequent to a student’s enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that students and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

STUDENT ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must: be admitted as a regular student; be enrolled or accepted for enrollment in an eligible program on at least a half time basis; be a citizen or an eligible non-citizen; not owe a refund on a PELL Grant or FSEOG at any school; not be in default on a Perkins Loan or Stafford Loan/SLS/PLUS/Direct Loan at any school; have financial need; be making satisfactory progress (as defined by the school’s policy) in the course of study; be registered for selective service (if a male born on or after January 1, 1961); have signed a statement of educational purpose; have signed a statement of updated information; have a high school diploma, (or its equivalent) a GED, agree to use any federal student aid received solely for educational purposes.

THE U.S. DEPARTMENT OF EDUCATION STUDENT FINANCIAL AID PROGRAMS:

The college is approved for, and does participate in the following programs intended to defray the costs of attending for those students eligible for financial aid considerations:

- **Federal PELL Grant: Does not require repayment (FPELL)**
- **Federal Supplemental Education Opportunity Grant: Does not require repayment (FSEOG)**

APPLICATION PROCEDURES AND FORMS: Financial aid applications for this institution consist of the following: Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours or on the internet (http://www.fafsa.ed.gov, or http://studentaid.ed.gov). In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student’s individual family circumstances.

DISBURSEMENT: Checks are issue to the school and credited to the student’s tuition account. It is the student’s responsibility to submit all required forms and documentation to the financial aid office before disbursement. Federal PELL Grant Program Funds received under this program are not subject to repayment from the student.

DEADLINE: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office before September 27, of the award year from which aid is requested from, or your last day of enrollment in 2018, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.
RENEWAL PROCESS: A FPELL Grant award receive for one award year (July 1 to June 30 of the following year), and it is not automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the new SAR or ISIR to the financial aid office.

DISBURSEMENT: Made based on per payment period via a check payable to the student or via a direct credit to the student’s tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant and have a zero (0) EFC first. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling throughout the entire year. If SEOG funds still available, a second priority will be given to students having a higher EFC or Non Pell recipient students with the lowest Expected Family contributions enrolled during the last three months. For additional information on Federal Financial Aid programs, request “The Student Guide” published by USDOE. Federal Supplemental Educational Opportunity Grant (FSEOG) Funds received under this program are not subject to repayment from the student. Asian-American International Beauty College will implement the following Federal Pell Grant cross-over Award Year Policy: Federal Pell Grant Payment Periods crossing from June 30, 2018 to July 01, 2019 will be paid out of the funds from either year on a student – by-student basis.

DEADLINE: You may apply during the enrollment process, using the FAFSA form. The school will provide you a letter listing the amount and types of financial aid you will be awarded, including the FSEOG award.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE COURSE OF STUDY: As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent 60% of the payment period in the course, student would have earned only 50% of the aid received or eligible to receive. To determine the percentage completed, the scheduled hours of class hours will be divided by the total hours in the payment period. Please note: Effective 07-01-06 the refund calculation will be based on the scheduled hours a student is contracted for rather than the actual hours attended on the last day of attendance according to the enrollment agreement. Unearned aid will be returned to the program(s) in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

**DEFINITIONS:** The following definitions correspond to some common terms used within the financial aid terminology:

**ACADEMIC YEAR:** A period of not less than 26 calendar weeks with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 13 calendar weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 26 calendar weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

**CLOCK HOUR:** A 50 to 60 minutes of supervised instruction during a 60 minutes period.

**CREDIT BALANCE:** A credit balance occurs when tuition payments have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.

**DEPENDENT STUDENT:** Is an individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and parents’ income and assets data. Is an individual other than the spouse that has been supported and will continue to be supported (50% or more of that individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) NOT a dependent of the student.

**FAMILY CONTRIBUTION (EFC):** The calculated amount that a family contributes to offset the student cost of attendance.

**FINANCIAL AID ELIGIBILITY CITIZEN/ELIGIBLE NON-CITIZEN:** You must be one of the following to receive federal student aid: U.S. Citizen, U.S. National, U.S. permanent resident who has an I-151 or I-551 (Alien Registration receipt card), Departure Record (I-94) from the U.S. Immigration and Naturalization Service (INS) showing one of the following designations: Refugee, Asylum Granted, Indefinite Parole and/or Humanitarian Parole Cuban-Haitian entrant.

**IF YOU ARE IN THE U.S. UNDER ONE OF THE FOLLOWING CONDITIONS, YOU ARE NOT ELIGIBLE FOR FEDERAL AID:** F1 or F2 student visa, J1 visa or J2 visa exchange visitor visa only.

**INDEPENDENT STUDENT:** An individual who meets one of the following criteria:
1. Was born before January 1, 1995
2. A graduate or professional student
3. Is Married (Separated but not divorced)
4. An individual with legal dependents other than a spouse. (As defined above)
5. An orphan or ward of the court up to the age of 18
6. Is a veteran of the armed forces of the United States?

PARENT(S): For the purposes of the financial aid programs, “a parent” is the mother and/or father or adoptive parents, stepparent or legal guardian - not foster parents.

PAYMENT PERIOD: 450 hours and 13 weeks for courses of 900 hours or more. It is the mid-point of the program for courses of less than 900 hours and 26 weeks.

NEED: Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

WITHDRAWALS: Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

RECOVERIES: Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grant programs still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student’s withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within 45 days from the student’s withdrawal and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by U.S. Department of Education.

REFUNDS: In any case where a refund is due to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date in the following order: FDirect, FPELL FSEOG, other sources and to the student. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program.

TRANSFER STUDENT: A student, who attended a Post-secondary institution before the enrollment at Asian-American International Beauty College, is no longer required to obtain a Financial Aid Transcript from each of the institutions attended within the last six months before the enrollment at this institution. However all institutions must have a registered password with NSDLS.

DISLOCATED WORKER: A dislocated is a person that meets all of the following requirements:
1. He was terminated or laid off from employment or received a notice of termination or layoff:
   • He is eligible for or has exhausted his unemployment compensation, or he is not eligible for it because, even though he has been employed long enough to demonstrate attachment to the workforce, he has insufficient earnings or performed services for an employer that weren’t covered under a state’s unemployment compensation law; and • He is unlikely to return to a previous industry or occupation.
2. A person who was terminated or laid off from employment or received a notice of termination or layoff as a result of any permanent closure of, or any substantial layoff at, a plant, facility, or enterprise.
3. A person who is employed at a facility at which the employer made a general announcement that it will close within 180 days.
4. A person who is employed at a facility at which the employer made a general announcement that it will close.
5. A self-employed person (including farmers, ranchers, or fishermen) who is unemployed because of natural disasters or because of general economic conditions in his community.
6. A displaced homemaker, someone who meets all of the following requirements: • she has been providing unpaid services to family members in the home; • she has been dependent on the income of another family member but is no longer supported by that income; and • she is unemployed or underemployed and is having difficulty obtaining or upgrading employment. An “underemployed” person is one who is working part time but wants to work full time or one who is working below the demonstrated level of her education or job skills. Not everyone who receives unemployment benefits will meet the definition of dislocated worker. For example, in general those who quit their jobs are not considered dislocated workers, even if they are receiving unemployment benefits.

Federal regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the school policy, the school will not disburse FPELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of the verification process.

WHO MUST BE VERIFIED: The policy of this school is to verify those students selected by CPS (USDE contractor processing the FAFSA and calculating the EFC) as shown in the ISIR or SAR comment section indicated with an (*) next to the EFC. The institution's Financial Aid Office (FAO) may opt to select an applicant for verification even though they were not selected by CPS.
VERIFICATION EXCLUSIONS: Applicants excluded from verification include:

- Death of the student.
- Not an aid recipient.
- Applicant verified by another school. Your FAFSA data must be the same as it was at the previous school, and the prior school must provide a letter to this school stating that it verified her application and providing the transaction number of the pertinent valid ISIR.
- Post enrollment: If you were selected for verification after ceasing to be enrolled at this school and all (including late) disbursements were made.

REQUIRED VERIFICATION ITEMS: Different data items apply to different applicants depending upon student dependency status and the Title IV programs used.

Data items include: For all applicants: Household size, Number in college, Supplemental Nutrition Assistance Program (SNAP, formerly food stamps), Child support paid

For non-tax filers: 2016 Income earned from work

DOCUMENTATION REQUIRED: AGI, taxes paid, and other tax data.
The Department encourages students and parents to use the IRS Data Retrieval process to import data from their tax return and not change it. It is the fastest, easiest, and most secure method of meeting verification requirements. For the retrieved data to be acceptable documentation of tax data, it is necessary that neither students nor parents change the data after it is transferred from the IRS—if the data is changed, the student/parent will need to provide other documentation as explained below.

If students cannot or will not use IRS Data Retrieval, either at initial FAFSA filing or though the FOTW correction process, they must document AGI, taxes paid, and untaxed income by providing an IRS tax return transcript. There are a few ways to request a tax transcript: online at www.irs.gov, by calling 1-800-908-9946, or by mailing or faxing the paper Form 4506T-EZ, which can be printed out from the IRS website. Students or parents who file an amended return cannot use the IRS Data Retrieval process. Instead, they must request a tax return transcript, but because that document only contains the information on the original return, they must also request a tax account transcript, which contains only the data that was altered. Both documents together can then be used to complete verification. If the tax filer chooses to order them on paper, she must use IRS Form 4506-T rather than Form 4506T-EZ.

Also, students and parents are required to complete and sign the verification worksheets developed by the Department, which serve as signed statements and as verification of household size, number in college, receipt of SNAP benefits, child support paid, and income earned from work for non-tax filers. There are two distinctive verification forms. One is for independent students where student and spouse (if applicable) data is required. The second form is for dependent students where student and parental data is required.

- Household size: To document the household size (see instructions on FAFSA questions 72 and 93), the student needs to provide a statement signed by him and, if dependent, at least one parent that gives the name, age, and relationship to the student of each person in the household. If the student completed the Department’s verification worksheet, no further documentation for this item is required.
- Number in college: You can document this item (see instructions on FAFSA questions 73 and 94) with a statement signed by the student (and, if he/she is dependent, at least one parent) that gives the name and age of each person in the household who is enrolled at least half time in an eligible college (excluding the parents of dependent students). The statement must also give the name of each college, and it can be written to document household size as well.

Completion of the Department’s sample verification worksheet will satisfy the requirements for both items.

SNAP benefits (food stamps): If the ISIR indicated that someone in the parents’ or student’s household received SNAP benefits in 2017 or 2018, the student must provide a signed statement indicating receipt of the benefit. A completed verification worksheet from the Department does this. The institutional FAO at his/her option, may require the student to show documentation from the agency that supplied the benefit or alternative documentation to satisfy this requirement.

Child support paid: If the ISIR indicated that the student or parent paid child support in 2017-2018, the student will need to provide a statement signed by her or, if he/she is dependent, either parent and giving the annual amount of the support, the names of those who paid it and whom it was paid to, and the name(s) of the child or children it was paid for. A completed verification worksheet accomplishes this.

TIME PERIOD FOR PROVIDING DOCUMENTATION:
Applicants must provide the required documentation within 120 days from the last day of attendance or September 28, 2018 (2017-2018 award year) or September 27, 2019 (2018-2019 award year), whichever is earlier.

APPLICANT RESPONSIBILITIES: To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:
* Number of family members in the household
* Number of family members in the household now enrolled as at least half-time students on postsecondary institutions.
* Change in dependency status. Federal aid applicants of any Federal Student Aid program, whose dependency status changes during the Award year must file a correction application. This process does not apply if the change occurs due to marriage. However, if the institutional FAO determines that, an update due to marriage is required to better represent the students’ ability to pay for college, the data must be updated changing all applicable elements on the FAFSA.

**CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTATION WITHIN THE SPECIFIED TIME PERIOD (S):** If the student cannot provide all required documentation within 120 days from the ISIR processed date or by September 28, 2018 (2017-2018 award year) or September 27, 2019 (2018-2019 award year), whichever is the earlier, the school cannot complete the verification process. The school would advise the applicants via regular mail or by email, that the student is no longer eligible for the preliminary financial aid awards offered to the student. The school then gives the applicants the following options: The student may continue training on a cash payment basis. The student may withdraw, or the student may make other financial arrangements to cover the school cost.

**INTERIM DISBURSEMENTS:** The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

**TOLERANCES:** If there are non-dollar errors and if the errors in dollar items total less the $25.00, there is no requirement to recalculate the students’ EFC.

**NOTIFICATION OF RESULTS OF VERIFICATION:** The school shall notify the applicant of the results of the verification process within 30 days of the student’s submission.

**REFERRAL PROCEDURE:** The school shall forward to the Secretary of Education, referral of fraud cases.
THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (F.E.R.P.A):

Notification of Rights under FERPA for Postsecondary Institutions

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day ASIAN-AMERICAN INTERNATIONAL BEAUTY COLLEGE receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school then the official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the Asian-American International Beauty College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the Asian-American International Beauty College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks.
